Call for Nominations: Preservation Awards
*Submission deadline **July 15, 2023***

Every year Historic Salem, Inc. asks the community to help us find the best examples of outstanding historic preservation projects throughout the city. We are now accepting nominations for the 2023 Preservation Awards. Winning projects will be honored during a celebration to be held on Sunday, September 17, 2023.

We encourage you to look around the city and within your neighborhood at recent projects that celebrate preservation and deserve recognition as being outstanding. Nominated projects can be private, public, or non-profit — residential or commercial — handcrafted or urban-scaled. Self-nominations are allowed. Examples of the areas to take into consideration include:

- High-quality home renovations
- Store front renovations
- Hand-crafted fences, arbors, garden houses and other historic landscaping.
- Stewardship and preservation that goes beyond normal maintenance requirements.
- The notable work of preservation advocates
- Renewal of abandoned or disaster-struck historic properties.

Nomination forms are available online at www.historicsalem.org

To ensure your favorite project can be considered for an award, please submit your nomination to Historic Salem by Saturday July 15, 2023.

Nomination application must include:

- **Nomination Form**, including nominee contact information.
- **Statement of Achievement:** Describe the Preservation Project, Initiative or the Individual being nominated. What makes this project/person a key part of preservation in Salem?
- **Photographs**

- **Major Contributors.** List those who contributed to the achievement of the project, program, or effort. This might include an owner, architect, landscape architect, contractor, lender, consultant, historian, group, organization, or individual citizens. Please include contact information.
