Call for Nominations: Preservation Awards

Submission deadline March 15

Has a preservation effort, large or small, caught your eye or earned your admiration? Historic Salem is looking for more cherished home renovations, hand-crafted fences, breweries, civic buildings, lifelong preservation advocates, or even lighthouses to recognize with a 2019 Preservation Award. Completed projects in any neighborhood in Salem are eligible for nomination. Nominated properties can be private, public, or non-profit; residential or commercial; hand-crafted or urban-scaled.

We encourage you to look around your neighborhood and city for projects worthy of recognition, projects that celebrate the art of preservation.

Awards will be presented at Historic Salem's Annual Meeting on the evening of May 3, 2019. This free event, open to the public, will highlight our city's preservation successes and challenges and celebrate the historic resources of Salem, which are the key to the city's identity, quality of life and economic vitality. A reception for the Preservation Award winners will be held after the awards ceremony.

Nomination forms are available online at www.historicsalem.org.

Nomination application must include:

- **Nomination Form**
- **Statement of Achievement:** Describe the Preservation Project, Initiative or the Individual being nominated. What makes this project/person a key part of preservation in Salem?
- **Photographs**
- **Major Contributors.** List those who contributed to the achievement of the project, program or effort. This might include owner, architect, landscape architect, contractor, lender, consultant, historian, group, organization, or individual citizens. Please include contact information.
